

“People rarely succeed unless they have fun in what they are doing”

## Overview

Writhlington Sixth Form is not just a place to nurture your academic success. It also provides opportunities and experiences for students to learn new skills and broaden their horizons.

## What is on offer?

Wednesday afternoons are solely for wellbeing, health and fun! You can choose from a variety of activities over a set number of weeks as a chance to switch off from the pressure of your studies, get to meet new people and try something new. Options currently available include:

- Cookery
- Music
- EPQ
- Technology
- Rugby
- Spinning
- Badminton
- Tennis
- Football
- Gym
- Climbing
- Gymnastics

## Year 12

All students starting the Sixth Form take part in the National Citizenship Service (NCS). Students take part in a week long residential doing a variety of exhilarating and adventurous team-building activities. Back in school the students work on community projects raising money for charities. This work leads to a certificate recognised by many employers and universities.

## Year 13

In Year 13 students get the opportunity to undertake an Extended Project Qualification (EPQ). The EPQ is an amazing opportunity for Sixth Form students to extend their abilities beyond the A-level syllabus, stand out and prepare for university or their future career. It can also be used to earn extra UCAS points.

## Additional information

We welcome any ideas that our students have regarding other opportunities they wish to participate in. Students can horse ride, take a regular work experience placement or even book their driving lessons during this period each week ... the world is your oyster!
